Dear Mr Amoako

Woking Site Allocations DPD Proposed Minor Modifications

Thank you for your email of 7 October 2019 inviting comments on the above document.

As the Government's adviser on the historic environment Historic England is keen to ensure that the protection of the historic environment is fully taken into account at all stages and levels of the local planning process, and welcomes the opportunity to comment upon this key planning document.

Historic England's comments in our letter of 13 December 2018 relating to the consultation of the draft Site Allocations DPD were minor in nature and asked for clarification and factual correction in relation to two proposed policies; GB3 and GB17. We are pleased that the minor modifications no.39 and no.60 address these matters satisfactorily and, consequently, we have no outstanding matters in relation to the draft DPD.

These comments are based on the information provided by you at this time and for the avoidance of doubt does not reflect our obligation to advise you on, and potentially object to, any specific development proposal which may subsequently arise from this or later versions of the plan and which may, in our view, have adverse effects on the historic environment.

Yours sincerely

Alan Byrne
Historic Environment Planning Adviser
