Dear Mr Banks

Thank you for your letter dated 1 May 2012. We are in agreement with the Woking Borough Council's Statement on the implications of the National Planning Policy Framework (NPPF).

We wish to highlight the following:

The Core Strategy is supported by a Strategic Flood Risk Assessment (SFRA). We recommend the Local Authority reviews the SFRA to ensure it is in accordance with paragraphs 7 & 8 of the 'Technical Guidance to the National Planning Policy Framework'.

Please do not hesitate to contact me if you have any queries.

Regards

Neil Landricombe

Dear All,

Please find attached a letter published today regarding consultation on the NPPF and the new policy for Traveller sites. Please note the deadline for responses of 6pm 26th May 2012. The council have made a response on the NPPF which can be found on the website as WBC/37 as per link in the letter.

I am on holiday from the 13th May and return to the office on the 28th May 2012. Because of this can I please ask that you **do not** send the paper copies by recorded delivery or similar as there will be nobody here to receive them. If you have a need to use a courier then I suggest you send to arrive on the 28th, otherwise normal Post will suffice.

If you any questions please fell free to contact me.

Chris
