Dear Mr Seaman

Woking Borough Council Core Strategy Examination – Inspector Note (ID/5)

Thank you for your e-mail of 24 January 2012 regarding the above. It was nice meeting you for the first time and the Council expresses their thanks for a well organised Pre-Hearing Meeting.

As agreed at the Pre-Hearing Meeting, I have attached the following documents that address concerns raised in your Note ID/5:

- Statement of Common Ground between Woking Borough Council and Surrey County Council on waste matters;
- Topic Paper on how the Core Strategy and its supporting evidence reflect the specific advice of Planning Policy Guidance (PPG) Note 17;
- Topic Statement on heritage matters;
- Statement of Common Ground between Woking Borough Council and English Heritage;
- Woking Borough Council's approach to monitoring and delivery with particular emphasis on infrastructure delivery; and
- How the policies of the Core Strategy link to the key objectives and the overall vision.

I have decided to address your concerns in separate documents to make it easier to follow. I hope you find them helpful. However, please contact me if you require any further clarification.

The documents will also be put on the Council's website for general information.

Yours sincerely
